About Sunnyslope County Water District

Sunnyslope County Water District was formed December 17, 1954 as a California Special District pursuant to the California County Water District Act, §30000 et seq., to furnish water and wastewater services to residents of the District in San Benito County, California. The District's water system serves an area of approximately 3.9 square miles in the City of Hollister and surrounding County areas. The District's wastewater system (of collection, treatment, and disposal) serves a few housing developments within the County consisting of Ridgemark Estates and the Oak Creek, Quail Hollow and Vista de Calabria subdivisions. The District serves approximately 7,831 water accounts, of which 99.9% are residential customers, and approximately 1,342 sewer accounts, of which 99.4% are residential customers.

Board of Directors

SSCWD is governed by a five-member elected Board of Directors, which by majority vote, makes policy decisions regarding the District's operation. Board meetings are held on the 4th Tuesday of each month at 5:15 p.m. Board members may also serve on any of a variety of standing advisory committees through appointment by the Board President.

The application form and related information are available on the District's website at www.sunnyslopedwater.org by clicking on the [Board Vacancy](#) link, or at the District's office located at 3570 Airline Highway, Hollister, CA 95023.
