Section 3. Unit Defined: A "unit" is defined to mean and refer to a place of residence for a single family. Multiple family dwellings shall have the same number of

units that the facilities therein provide for a single family residence including trailer courts, hotels and motels. The number of units for commercial, industrial, church, school, public and other non residential units shall be determined by the District engineer on the basis of dividing the average water consumption for such units as computed by the District for the time period of April 1990 through March 1991 by the average water consumption for a single family unit as computed by the District for the time period of April 1990 through March 1991. The definition of "unit" shall apply to the rate schedules as set forth in Section 1. of this Ordinance and to the Interim Rate schedules as set forth in Section 2. of this Ordinance.

Section 4. The interim rate schedule set forth in Section 2. herein shall terminate on August 21, 1991, at which time the rate schedule set forth in Section 1. herein shall become effective.

Section 5. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

Section 6. In the event that any portion or provision of this ordinance shall be determined by a court of law or other tribunal to be invalid, such remaining provisions of this ordinance shall remain in full force and effect unaffected by such finding of invalidity.

Section 7. This ordinance shall be in full force and effect at 12:01 a.m. on the 30th day after its passage and shall be published once in a newspaper of general publication circulation published and printed in the County of San Benito, State of California, together with the names of the members of the Board of Directors voting for and against same prior to fifteen (15) days from its passage hereof.
