## REQUEST FOR QUOTES

### SUNNYSLOPE WELL 1 & 6 ABANDONMENT

#### Background

Sunnyslope County Water District (District) currently owns two submersible inactive wells. These wells are located near the City of Hollister. With upcoming improvements, these two wells will need to be abandoned in order to eliminate the potential physical, chemical, or biological hazard to the local aquifer.

#### Scope of Work

Contractors to furnish all tools, equipment, apparatus, facilities, labor, transportation, and material necessary to perform and complete the Work in a good manner.

The Work is generally described as follows:

##### Abandonment of Two (2) Existing Wells (Exhibit A):

1. Remove a motor, a pump, and a column of Well #1
2. Conduct a visual inspection of the wells to investigate details of construction, ensuring that obstructions that will interfere with the process of filling are removed.
3. Perform explosive severance to prepare for proper filling and sealing.
4. Fill and seal the well casing with cement grout to the existing grade.
5. Concrete pads and concrete pedestals will remain in place.
6. Provide a Completion Report to the District after finishing work.
7. Consider CA Department of Water Resources (DWR) Bulletin 74-81 as a standard.

##### Permit & Coordination:

1. Contractor shall be responsible for securing a Well Destruction Permit, including any permit fees, at no additional cost to the District.
2. Prior to commencing the work, Contractor shall coordinate with San Benito County Water District's authorized person to conduct an inspection during the construction period.

## Submission Requirements

Contractor is required to submit a completed bid form, proof of insurance, and licenses to be considered. The submission shall be submitted to the District point of contact via email.

## Qualifications

Contractor must maintain a C-57 license and be registered and qualified to perform public work under California Labor Code § 1725.5 to submit quotes.

## Prevailing Wage

The Work under this Contract qualifies as Public Works subject to California Labor Code Section 1720 et seq. Contractor shall comply with and be bound by all pertinent sections of the Labor Code beginning with Section 1720 regarding payment of prevailing wage rates, holiday and overtime pay, hiring of apprentices, workers compensation insurance, etc., all as set forth by the California Department of Industrial Relations (DIR). Contractor shall be registered with DIR as a Public Works Contractor and abide by all relevant reporting requirements. Contractor is responsible for maintaining all applicable payroll records and reports, which shall be made available to District for review upon written request.

## Insurance

Prior to commencing work, proof of the following insurance policy limits will be required to name Sunnyslope Water District as additional insured:

Without limiting Contractor's duty to indemnify, Contractor shall maintain, at no cost to the District, throughout the term of this Contract a policy or policies of insurance covering all of Contractor's Work hereunder with the following minimum limits of liability:

1. General liability insurance, including but not limited to premises, personal injury, products, and completed operations, with a combined single limit of \$1,000,000 per occurrence and \$2,000,000 aggregate.
2. Comprehensive automobile liability insurance covering all motor vehicles, including owned and non-owned vehicles used in providing services related to the Work previously described, with a combined single limit of \$2,000,000 per occurrence.
3. Worker's compensation insurance or self-insurance of not less than \$1,000,000 indicating compliance with any applicable Labor Codes, acts, laws, or statutes, whether federal or state.

Contractor shall file a certificate of insurance with the District as evidence that Contractor has the insurance coverages required under this Contract. The District shall be notified in writing thirty (30) days prior to any cancellation or material change in the insurance.
