Customer Acknowledgment & Disclosure

By signing below, I request that Sunnyslope County Water District reconnect service at the above address on the date indicated. I understand and acknowledge the following:

\$60.00 RECONNECTION FEE - A \$60.00 reconnection fee is required when service that was previously shut off at the customer's request must be restored. The fee must be paid in full before reconnection.

- Submission of this application does not constitute payment and does not guarantee same-day reconnection.
- Reconnection is subject to District scheduling, staff availability, and normal operating procedures.
- The customer is responsible for ensuring all faucets, fixtures, irrigation systems, and other water-using devices are secured before service is restored.
- The District is not responsible for water use or property damage caused by open fixtures, leaks, irrigation systems, or other customer-side conditions when service is restored.
- Water and applicable service charges will resume once service is reconnected.
- If service needs to be discontinued again, the customer is responsible for submitting a new Stop Service Application/Request. This reconnection request does not serve as a future stop-service request.
