

Sunnyslope County Water District Water Meter Installation Fact Sheet

This fact sheet provides guidance for builders, contractors, and property owners seeking to install a new water meter within the Sunnyslope County Water District (SSCWD) service area. All required county and district fees must be paid and documentation submitted before the District can schedule meter installation.

Meter Installation Process

Step	Requirement
1	Visit the San Benito County Water District and pay the applicable County Capacity Fees.
2	Obtain a paid receipt from the County showing all applicable capacity fees have been paid.
3	Submit an Application for Water Connection to Sunnyslope County Water District.
4	Provide a copy of the San Benito County Water District receipt with your application.
5	Pay all applicable Sunnyslope County Water District capacity and installation fees.
6	Once all documents and payments are verified, SSCWD will schedule the meter installation.

San Benito County Water District

30 Mansfield Road
Hollister, CA 95023

(Fees must be paid directly to the County prior to SSCWD meter installation.)
